

BELISHA BEACONS

Safety. Confidence. Assurance.

Gallery

Our range of Globes and Galleries are **vandal resistant**.

The Aluminium Gallery:

By way of the manufacturing process, the aluminium gallery is extremely strong, durable and lightweight. Stainless steel tamper proof fixings and nut inserts in the globe means you do not get any problems when changing lamps – no dissimilar metals, so no corrosion of screws or threads.

The Stainless Steel Gallery:

By way of the manufacturing process the Stainless Steel Gallery is extremely strong and durable and is suited to most hostile environments. Stainless Steel throughout including fixings means you have no problems when it comes to changing lamps – no dissimilar metals, so no corrosion of screws or threads.
